SILENT AUCTION

BY MABEL NICOSIA

The First SEVA GRREAT Silent Auction was held during the members October picnic with generous donations from merchants, members & bidders raised over \$656.00 at the time of closing. Several people gathered around the beautiful Adirondack Chair made by Built To Last with a dash for the winning bid made by Kathi Kruse. There were unusual items, gift certificates, doggie toys, Golden items and wines. There were some *grreat* deals at bargain prices! It was a lot of fun to watch bidders keep an eye out for their bids. Many thanks to all. Please remember to support SEVA GRREAT merchant donors when shopping for gifts and special occasions. We hope to have an even BIGGER Silent Auction in 2008! Happy NEW Year!
